

## Tyler C. Wright

ASSOCIATE

P 214.855.3086

E [twright@ccsb.com](mailto:twright@ccsb.com)

Helping primarily Texas-based clients, Tyler Wright focuses on construction projects and public procurement. Tyler works with public and private entities to navigate complex construction and development matters. He provides strategic guidance on project structuring, compliance, and contract negotiation to help clients achieve their goals efficiently and effectively. Additionally, his practice involves mechanic's lien laws, commercial real estate, corporate matters, and related areas.
