Carrington Coleman Partner, Lance Currie, has been elected to represent District 1, which represents Northwest Dallas and parts of Preston Hollow, on the Dallas ISD Board of Trustees. “I’ve been reflecting much of the day on this campaign and the tasks ahead. The feeling is hard to describe. It’s the culmination of a goal set many years ago, joy and excitement, and the incredible weight that comes with the privilege of service. It’s a weight I carry gladly, but not lightly. I will do everything I can to continue lifting our public schools that I love so much” shared Lance. The Firm is incredibly proud, and cannot wait to see the positive impact our partner will make in the community.
