

CCSB Proudly Sponsors ASC's 38th Annual Luncheon featuring Keynote Speaker Elizabeth Smart

June 13, 2025

Overview: Carrington Coleman is proud to sponsor Attorneys Serving the Community's (ASC) 38th Annual Luncheon, benefiting POETIC — an organization that helps empower survivors of sex trafficking and exploitation.

This year's keynote speaker is **Elizabeth Smart**, a leading child safety advocate whose own kidnapping in 2002 captured the nation's attention. After her safe return, Smart turned her experience into a powerful platform for change — helping to promote legislation, aid recovery programs, and empower survivors. Through her foundation and her work alongside organizations like the Malouf Foundation, Smart helps communities identify victims of sex trafficking and keep children safe.

CCSB is honored to support ASC's ongoing mission and to be a part of this year's event alongside advocates, community members, and legal professionals who are making a measurable difference in the lives of vulnerable children and families.
