“I’m a compassionate ally through life’s trials. Beyond legal counsel, I offer empathy and guidance, standing by my clients through their toughest challenges with unwavering support.”

Monique Sneed is an Associate in our Family Law practice. She is a compassionate guide through some of life’s toughest challenges. With a focus on family law, Monique brings a wealth of experience and expertise to every case she handles. From divorce and child custody disputes to adoption and CPS cases, Monique is a steadfast advocate for her clients’ rights and well-being. Her extensive litigation experience, coupled with her empathy, allows her to navigate even the most complex emotional situations. Monique’s clients trust her to be their voice of reason, guiding them through the legal process with compassion and integrity. In her hands, they find not just legal representation, but a source of strength and support during difficult times.
